

A note from Ms. Morse:

Good morning! Today is the day we kick off the Dominos Fundraiser.

Families can register more than one kid under dependents. A family earns a free card with every 15 cards that are sold. Parents and guardians - share your child's name and the Dominos page on your social media, email contacts, and phone. If you choose not to register your child, there is a general store link you can share instead. The cards are good in nearly every state and region.

Your child should be bringing home the information today.

Now a note from Dominos for the links.

Dear Brunswick Christian Academy Family,

Today we are starting the Domino's fundraiser.

We are raising money for a new sign for our school, and we need your help!
