

Hats Off to Helping Others

BCA, it's that time again! You always work so hard and make a big impact in October for those in need in our community!

Instead of socks, this year the SOS Ladies Ministry of F.F.W.B.C. will collect winter hats (beanies, toboggans, etc.)

October 1-31

There will be a drop off box located in the concession area of the school where hats may be dropped off.

Thank you as always for your help
